This application proposes the diversion and use of water tributary to a federally designated Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because it is for irrigation and domestic purposes. The diversion rate and acres will be applied to the subordination amounts specified in the decree for the applicable Wild & Scenic River. Use is for homes and part of a landing strip within HES 701, south portion of Copenhaver Subdivision.
