Subject: Application for Transfer  
City of Garden City

Dear Steve,

On behalf of the City of Garden City, I am pleased to submit the enclosed *Application for Transfer* for water rights in the municipal delivery system. The application proposes to move the location of Well No. 1, correctly describe the points of diversion in the City's integrated water delivery system and update the digital boundary of the municipal service area. A computer disc is enclosed containing GIS data for the proposed municipal boundary.

We understand that the filing fee for this Application is \$1,310.00. You will find a check for that amount enclosed.

Please contact me with any questions.

Sincerely,

Roxanne Brown
