Re: Application for Extension of Time to Avoid Forfeiture of a Water Right

Dear Applicant:

You submitted an extension application on February 21, 2001 regarding a water right(s) from Monroe Creek in Washington County. We discussed the situation during telephone calls on March 19 and 20, 2001. You indicated the application would be withdrawn.

Application processing was delayed pending withdrawal of the filing. Written withdrawal of the application is needed to allow a refund of the \$100 application fee you paid. You may use the enclosed form to withdraw the application and receive a refund.

The application will be voided unless (a) it is withdrawn or (b) you indicate processing should resume by written reply within thirty (30) days. Please contact me at 208-334-2190 if you need more information. Thank you for your attention to this matter.

Sincerely,

Steve Lester
Water Rights Supervisor
