Re: KBC Farms request for information

Dave,

Klaren Koopin of KBC Farms requested that I investigate any history of delivery of Aberdeen-Springfield Canal Company water to one of their farms. A general legal description of the farm is:

***Township 7 South, Range 30 East, Section 25: NW $\frac{1}{4}$ SE $\frac{1}{4}$ , SW $\frac{1}{4}$ SE $\frac{1}{4}$ , Lots 2, 3 & 4***

***And***

***Township 7 South, Range 30 East, Section 30: Lots 10 & 11.***

(Outlined in blue on the attached Map)

Again, this is a general location as it is not a square farm. While this location lies within our service area boundary, there are no Aberdeen-Springfield Canal Company shares appurtenant to this farm, and we have no record of delivery to these lands.

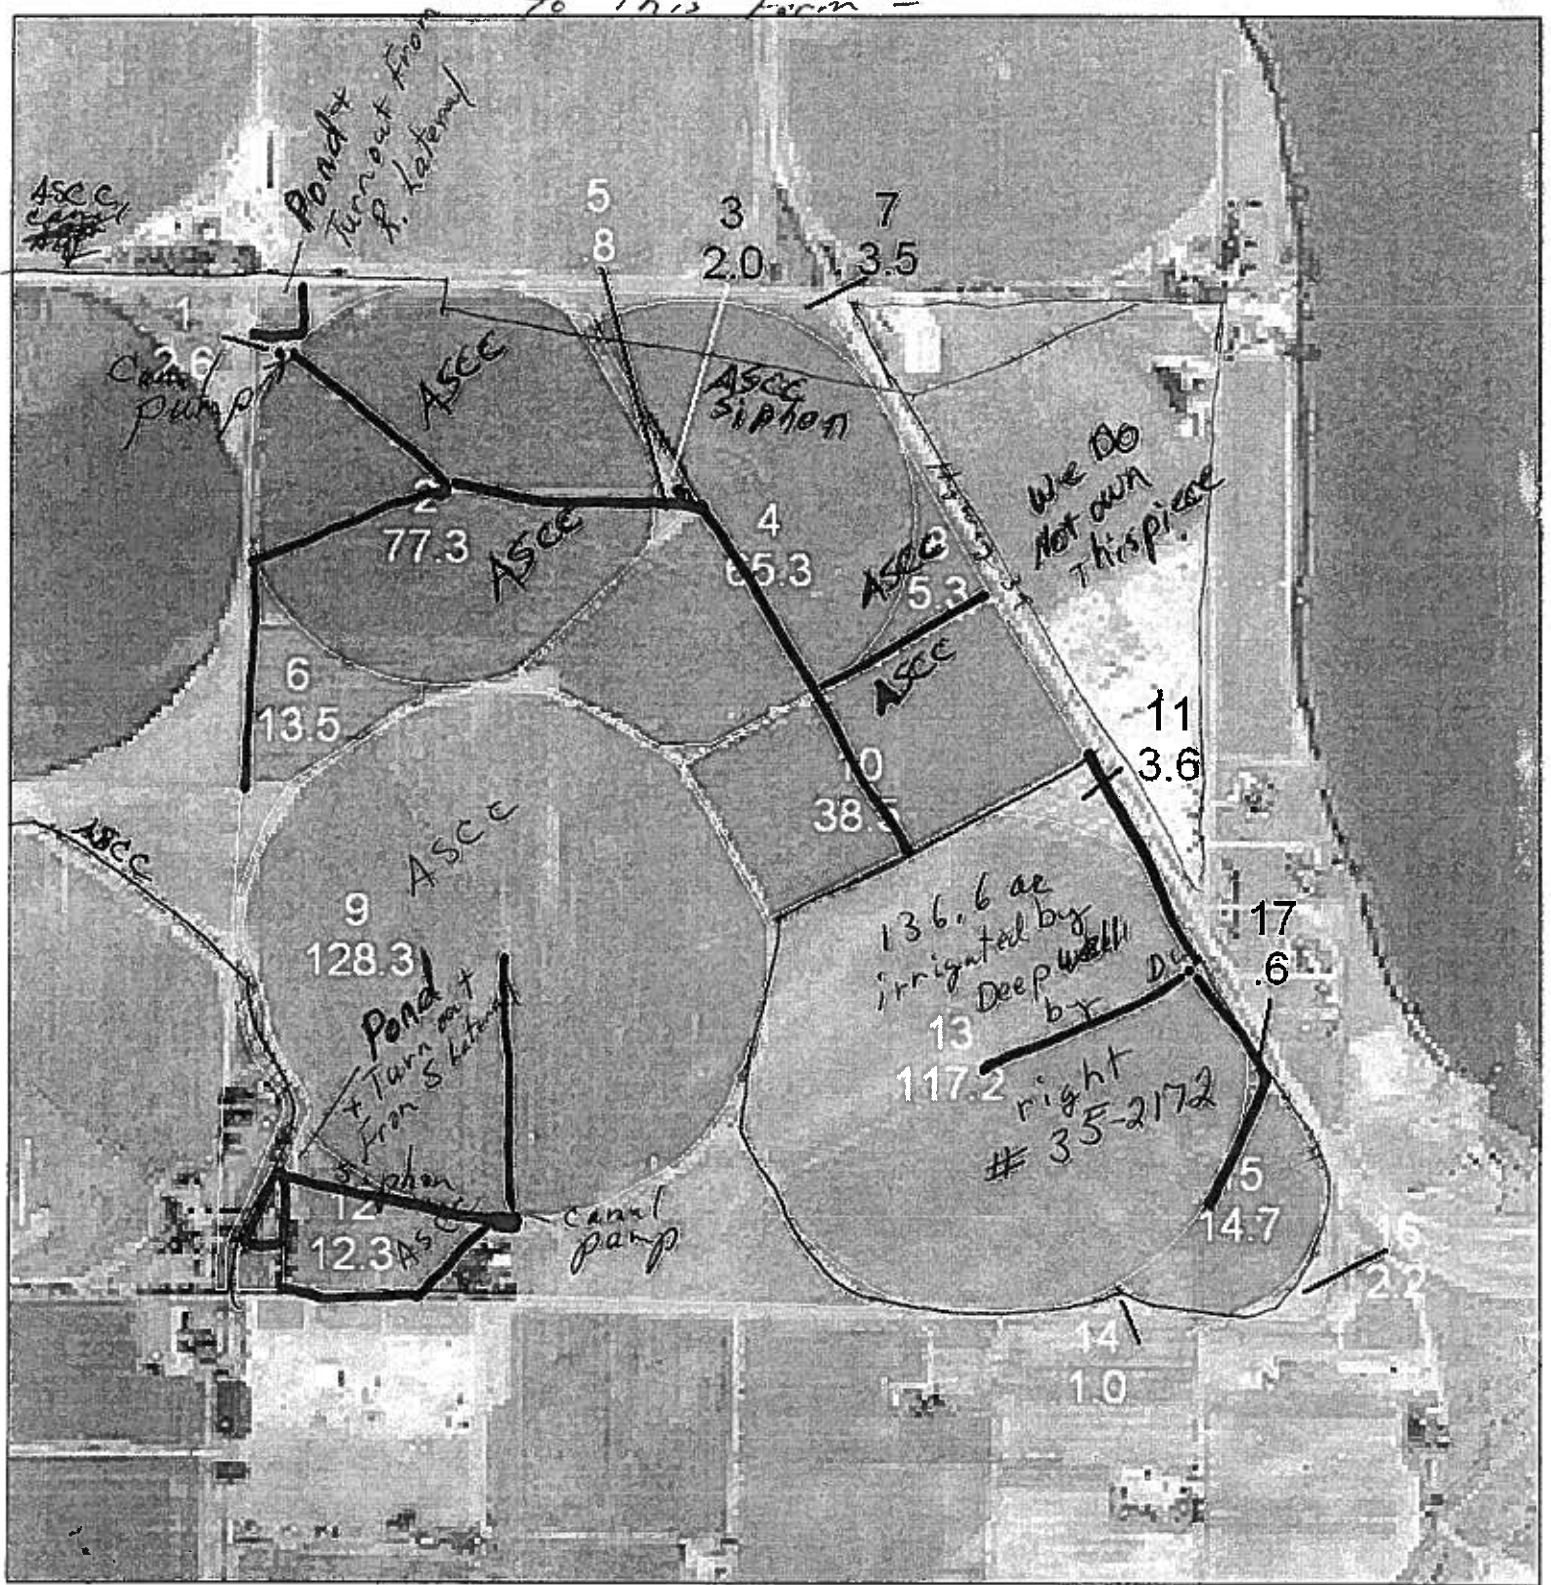

As always, if you have any questions please do not hesitate to give me a call.

Sincerely,

Steven T. Howser,  
General Manager
