RE: Change in Ownership of Water Right No. 96-2019

Dear Mr. & Mrs. Finman:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of a map which depicts the location of the water right and the location of the property purchased.

In order to complete the change in ownership, the Department needs a deed which covers NW $\frac{1}{4}$ NW $\frac{1}{4}$, NE $\frac{1}{4}$ NW $\frac{1}{4}$, NW $\frac{1}{4}$ NE $\frac{1}{4}$, and SW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 1, Township 54 North, Range 4 West, B.M or the water right will require a split. The fee for water rights which require a split is \$100. It does appear that this water right will need to be split, and an additional \$75 is required in order to process this ownership change.

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

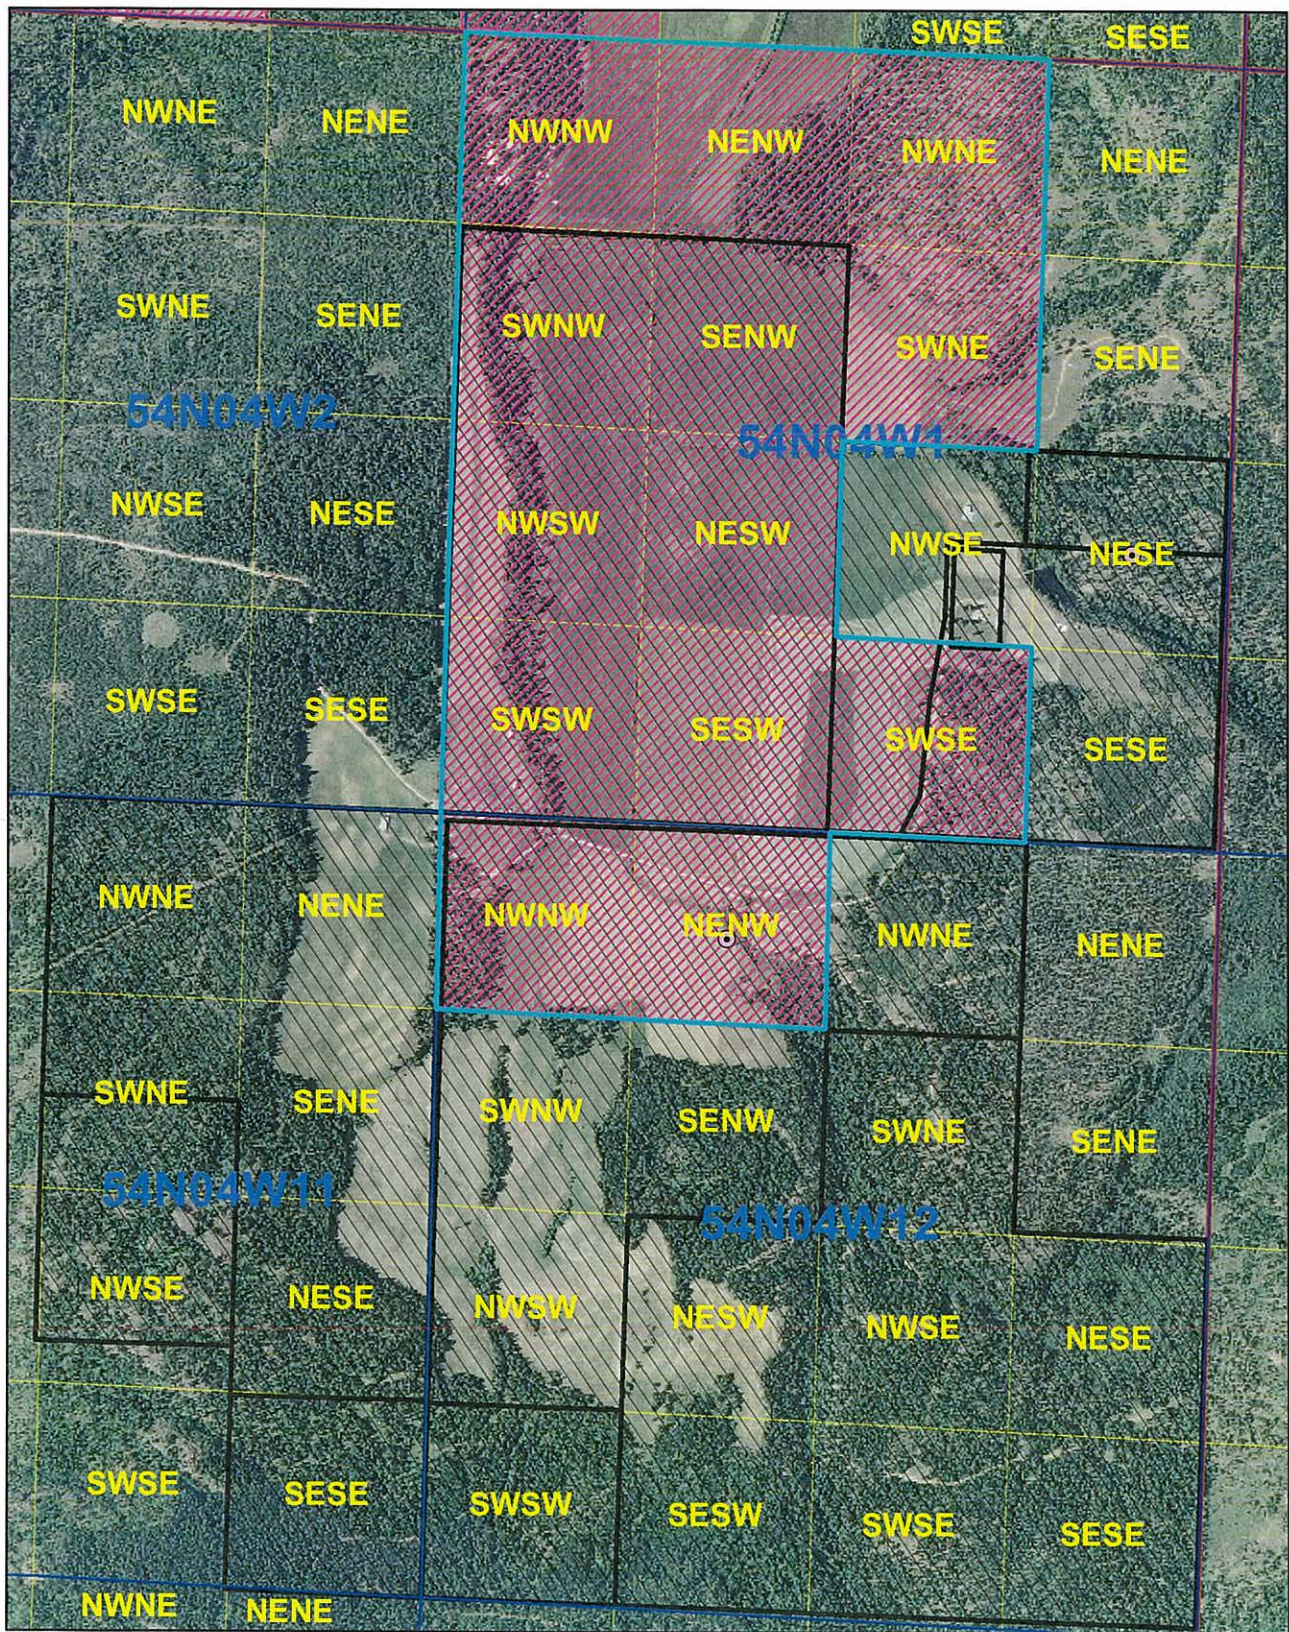

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Emalee Rushing".
