RE: Notice of Violation for the Diversion of Water for Irrigation and Other Purposes,
Violation of Idaho Code §§ 42-351 and 42-1701B.

Dear Mr. Bloxham:

The Idaho Department of Water Resources (IDWR) has determined that you are without authority diverting ground and surface water from an unnamed stream, for irrigation, stockwater, recreation, fire protection, domestic and storage purposes, which is in violation of Idaho Code § 42-351. The violation is associated with the irrigation of approximately 1 acres of lawn and garden and other uses located within the SE¼ of the SW¼ of Section 4, Township 52 North, Range 3 West, Boise Meridian.

Under Idaho Code § 42-1701B, the director of IDWR may commence an administrative enforcement action to obtain a civil penalty for irrigation uses equal to three hundred dollars (\$300.00) annually for each acre irrigated, in whole or in part, by the unauthorized use of diversion.

Pursuant to Idaho Code § 42-1701B, IDWR requires that the following action be taken immediately:

1. File an application for permit with IDWR for the above said purpose of use.

If you object to any provision in this notice, you have the opportunity to schedule a compliance conference to discuss the violation with IDWR. Your written request must be received at this office within fourteen (14) days of receipt of this notice. Failure to comply with the requirements of this notice will be cause for IDWR to initiate a civil enforcement action through the Attorney General in district court.

Please contact me or Keith Franklin of my staff at 208-762-2800 if you have any questions regarding this matter.

Sincerely,
