Hi, Kelli

Attached is the legal notice we talked about last Thursday, 10/29/09 - the 4th legal notice we are requesting be published 11/5 and 11/12.. Had to delay sending it until I could do some extra checking on it today. I think it's all OK to go, and I will need a proof/preview copy before this one goes to press, as well as the other three scheduled to publish the same days. I know this one is running close.

Please publish the enclosed legal notice on the dates indicated, November 5 and 12, 2009, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 11/23/2009. Your cooperation is appreciated.

Thanks for all your super help.

May you always have Love to share, Health to spare and Friends who care.

Application For Permit No. 95-11037

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the COEUR D ALENE PRESS on 11/5/2009 and 11/12/2009. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Eric J. Davis
Senior Water Resource Agent
