RE: Decreed Water Right 35-4227B

Dear Water User:

We have been advised that you may be the current owner of a portion of the property that has been decreed as referenced above. A copy of the decreed water right is enclosed for your information and convenience.

Before we can modify our records to reflect your ownership of the property and the water right referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate filing fee. I have enclosed a copy of this form for your convenience.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change.

Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

Sincerely,

A handwritten signature in black ink that reads "Christine Roberts". The signature is written in a cursive, flowing style with a long, sweeping underline that extends to the right.
