Re: Application for Transfer No. 73811

Dear Erick:

As we discussed earlier today, this letter acknowledges receipt of the technical report you submitted for the above referenced transfer application filed by the Idaho Water Company. Thank you for providing that information.

Your report will be reviewed by the Idaho Department of Water Resources (IDWR) Hydrology staff. After that evaluation, IDWR will take the next appropriate step in the protest process for this application.

To facilitate that next step, please provide a copy of your report to the protestants as required by IDWR Rules of Procedure for contested cases. Also, please include written notification to this office to document that action. Contact information for the protestants is enclosed for your convenience.

Finally, please confirm if you are the current Brockway contact instead of Zach Latham for this application.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Steve Lester". The signature is written in a cursive, flowing style with a large, prominent 'S' at the beginning.

Steve Lester
Water Rights Supervisor
