To Whom It May Concern:

Enclosed is a copy of the report, Shekinah Industries Groundwater Model Development and Transfer Scenario Runs, in support of the application for transfer #73811. This report is now being reviewed by the Idaho Department of Water Resources. The recent letter from Steve Lester, Water Rights Supervisor for the Western Region, on January 19, 2010, asked that we provide a copy of the report to facilitate further evaluations.

Please call me or Erick Powell at Brockway Engineering, (208) 736-8543 if you have any questions.

Sincerely,
