Re: Application for Transfer of Water Right

Dear Department Representative:

Enclosed is an Application for Transfer of Water Right, together with Application fee. This Application is to transfer a portion of a water right held by the Middleton Mill Ditch Company for irrigation use to groundwater recharge. This Application is submitted in conjunction with Stanley Consultants, Inc., engineer for Eagle Sports Legends Development, LLC to accomplish mitigation for evaporative loss of water from ponds in Mosca Seca Subdivision. It is my understanding Stanley Consultants, Inc. is also submitting an Application for a groundwater permit in conjunction with this Transfer Application.

Any correspondence or questions regarding the Application should be directed to myself, as well as Dean Cardwell representing Mosca Seca Subdivision and its developer, Eagle Sports Legends Development, LLC.

Sincerely,

Jerry A. Kiser
Attorney at Law
