RE: Amended Application for Transfer for the City of Idaho Falls.

Dear Dave:

We are enclosing the original cover letter we provided with the Application for Transfer for the City of Idaho Falls, and in addition have amended the application to only propose a change to the City's existing water right, No. 25-2142. We have removed any reference to the currently unlicensed water right, No. 25-7654. In addition, we have included an updated signature of the transfer application so you know the person signing on behalf of the City is Mr. David Richards, who is the Water Department Superintendant for the City of Idaho Falls. If you have any additional questions regarding the transfer, you can contact either myself or Mr. Richards. His phone number is 612-8471.

Lastly, we have enclosed a map of the City's current service area, along with the proposed location of the new well #18. We appreciate your kind attention to this matter.

Sincerely,

Robert L. Harris
