RE: Application for Transfer – City of Idaho Falls

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning your application and filing fee to allow you to complete the necessary items. The required information is described below.

The Notarized Signature, the signature on the application is not the attorneys nor is it the mayors. We need to know who it is, such as, engineer, or who?

The Map does not show point of diversion.

Also, Dave suggest if they want to drill the well, use the license only.

Please feel free to contact this office if you have any questions.

Sincerely,

Dave Carlson
Water Resource Supervisor
