Re: Address change for your Water Rights/License

Dear Darla,

The department of Water Resources recently received returned correspondence due to incorrect address information for your water right(s). I have updated our data base to reflect this change for your water rights. I have enclosed a copy of your water right details on proof reports. Note that the return address envelope did not reflect Cory so I did not change his address.

Please also note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a **\$100** late filing fee.

If there has been an ownership change, the forms and instructions can be found on our public web site at:
