Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application was prepared and was scheduled for publication in the COEUR D ALENE PRESS on August 6 and 13, 2009. Protests to this application may now be submitted for a period ending ten (10) days after the second publication of the Notice of Correction..

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions.

Sincerely,

Keith E. Franklin
