WATER RIGHT NO. 47-17104
As Modified by Transfer No. 70893

CONDITIONS OF APPROVAL

1. Use of water under this right shall be non-consumptive. At such time in the future as the Director determines necessary to protect the prior rights of other users, the Director may require determination of the rate of loss within the system using a procedure approved by the Director, and may require mitigation for all system losses.
2. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.
3. Use of water under this right is subordinate to hydropower rights 36-7768, 36-7991, and 36-8005, and shall not reduce the flow of Cedar Draw below the 10 cfs bypass flow required under these rights.
4. Prior to the diversion and use of water under this approval, the right holder shall comply with all Idaho Department of Fish and Game permitting and/or fish screening and/or fish passage requirements.
5. Any impoundment of water established as part of the diversion system of this right shall not exceed a total capacity of 0.4 acre feet or a total surface area of 0.1 acres.
6. The source of this water right is ~~waste~~ water originally diverted by the Twin Falls Canal Co. The wasting of water may be discontinued at any time.
7. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
8. The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.
9. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
