

MEMORANDUM

Date: January 21, 2010
To: File No. 34-13888
From: Nick Van Dyke
Re: water right status

This right was split for transfers 74664 and 74665. Both transfers were rescinded by order on December 31, 2009. Normally a new water right number would have been created but in this instance this right was made active again.
