Permit to Appropriate Water

NO. 47-17524

7. Diversion and use of water from the unnamed stream (locally known as the J-2 Coulee) shall be limited to those times when water is not being delivered to share holders of the Twin Falls Canal Company. Diversion and use of water from the unnamed stream is restricted to the non-irrigation season. The unnamed stream at times includes wastewater originally diverted by the Twin Falls Canal Co. The wasting of water may be discontinued at any time.
8. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 13th day of January, 20 10.

FOR GARY SPACKMAN, Interim Director

Permit to Appropriate Water
