Re: Ownership change splits of water right 61-7384B

On May, 29, 2009, Theodore Roosevelt submitted a Notice of Change in Water Right Ownership along with 6 packets of information regarding the previous ownership change splits.

After a review of the previous ownership change requests which split water right 61-7384B into several parts, I found a few errors in how the splits were calculated. See page 2 for two tables which depict how the splits were initially completed and then how the splits are completed after my review.

OWNERSHIP CHANGE SPLITS OF WATER RIGHT 61-7384B

Splits as originally processed:

Water Right Holder	WR Number	PPU	CFS	Volume	Acre Limit
Parent (Adams)	61-7384B	236	0.73	260	65
Simon (now Denning)	61-12019	20	0.22	80.0	
Adams	61-12018	216	0.51	180	45
Kelly	61-12038	20	0.22	80	
Larson (previously Adams)	61-12037	196	0.29	100	25
Robinson (now Wegner)	61-12143	36	0.05	18.4	25.0
Larson	61-12142	160	0.24	81.6	25.0

The first split did not give the new owner (Simon at that time) the appropriate portion of the water right. The second split was completed in a similarly incorrect way (20 acre PPU. As a result, the third split was processed based on the child right, 61-12037, which had inaccurate calculations.

The next table depicts each split as corrected and the Roosevelt/Morisette/Rose split. I have color coded the corresponding water rights for easy comparison.

CURRENT OWNER	WR Number	PPU	CFS	VOLUME	Acre Limit
Parent	61-7384B	236	0.73	260	65
Denning	61-12019	40	0.12	44.1	11.0
Adams	61-12018	196	0.61	215.9	54.0
Kelly	61-12038	39.5	0.12	43.5	10.9
Larson	61-12037	156.5	0.49	172.4	43.1
Wegner	61-12143	38	0.12	41.9	10.5
Larson	61-12142	118.5	0.37	130.5	32.6
Roosevelt/Morisette/Rose	61-12254	79	0.25	87.0	21.7
Adams**	61-12253	39.5	0.12	43.5	10.9

**The remaining portion of water right 61-7384B is now 61-12253. I did not locate any deeds which conveyed this property to the Larsons. Therefore, I have restored the ownership of this portion to the water right holder as listed on the partial decree. Theodore Roosevelt did have a copy warranty deed 317631 in section 4a of his documents, which conveyed this parcel from the Adams to LeRoy Wayne Slappey and Iris Lynn Slappey.
