Jean,

I am sorry this has taken so long. I met today with Rick Alias of the Idaho Youth Ranch, and we have a near final agreement. Rick is submitting the final draft to Tom Arkoosh, the attorney looking out for IYR's interests for his blessing, and we should be ready to sign our agreement within 10 days. We will then need to amend our application to form a PPU slightly, and we have retained Zach Latham of Brockway Engineering in Twin Falls to this effect.

I am attaching the near final version as evidence that we are still working. Thank you for your patience.

Duane,

I last heard from you in September of 2008 regarding the status of this transfer and whether or not you wished to proceed. In your letter, you asked for additional time. It is now May of 2009 and I have still not heard anything. I understand there have been ownership changes and partnerships established which may involve some or all of the rights in this transfer. (As you recall, our particular hold-up was with the Idaho Youth Ranch rights.) Do you still want me to continue processing this transfer or do you want to withdraw it or need to make any changes? I'd like to resolve the questions if possible and either move this along toward approval or get it off our backlog. Please let me know by email or give me a call at 736-3033. Thanks, Jeanie
