Application For Permit No. 98-7896 and 98-7897

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNERS FERRY HERALD on 9/17/2009 and 9/24/2009. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions.

Sincerely,

Eric J. Davis
Sr. Water Resource Agent

Good afternoon, Shirley,

I sent you a legal notice last Friday to publish on September 17 and 24, 2009.

I discovered an error in the way it came off the computer, and so I'm asking you to pull that one and replace it with this one. There are only minor changes but those changes can make a difference from a legal standpoint, and it is sometimes easier to simply replace one than to try to make the changes in one.

If you have any quesitons, please call me or reply to this e-mail.

Thank you very much - and welcome. I hope you'll stay a loooonnnngg time! Seems I just get to know someone and they move on.
