Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ❖ **Evidence of Water Right Ownership:** Please submit a full chain of title back to Northcom 36 LLC.

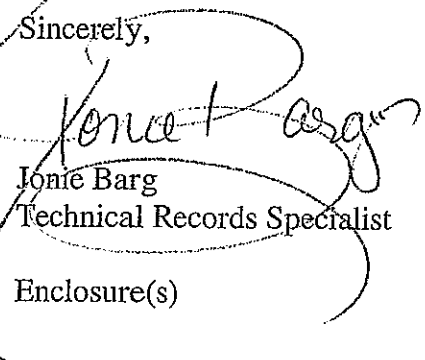

During our review of the documentation you submitted we found additional information is required in order for our department to complete your request. The warranty deed submitted to our office is a Special Warranty Deed from Steelwater Ranches LLC to Bar N Ranch LLC. The water right is currently in the Name of Northcom 36 LLC. Please submit a full chain of title going back to Northcom 36 LLC at your earliest convenience.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
