RE: Application for Permit No 95-10527

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Coeur d'Alene Press on June 18 & 25, 2009. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E Franklin
Senior Water Resource Agent

Good afternoon, Kattie,

My attached letter says good morning - I just got delayed before getting the letter requesting publication of our legal notice off to you - publication requested for June 18 and 25, 2009. Legal notice also attached.

If you have ANY questions, please call me or reply to this e-mail.

This is another fairly long one - but I think it's fairly straight forward for copy and paste. Hopefully we don't have to split columns with it.

Please send me a proof/preview copy for my review of layout before this goes to press.

You're wonderful. Thanks for your SUPER help.
