RE: FIELD EXAM NOTICE FOR WATER RIGHT PERMIT NO. 85-7444

Dear Permit Holder:

This is a reminder that a field examination has been scheduled for the above referenced permit at **8:00 a.m., July 28, 2008**. I will plan to meet you at the address above unless we make other arrangements in advance.

An examination is necessary to verify water use developed under the permit in order to issue a water right license. Please be advised that you will be required to operate your system under normal conditions during the examination.

Please contact me at (208) 287-4943 if you have any questions or need to make other arrangements.

Sincerely,

A handwritten signature in black ink, appearing to read 'Aaron Marshall', is written over a horizontal line.
