Dear Wells Fargo Bank, NA:

The Department of Water Resources acknowledges receipt of your Security Interest in the above listed Water Rights. Our previous communications to you on July 8, 2009 and August 26, 2009 (copies attached) indicate further information was needed to process the Security Interest. As of today's date we have not received the additional information requested on August 26, 2009. The information required is indicated below:

XXX Please submit a "**Recorded**" Mortgage Deed. Also, we will need Evidence of a Security Interest on Water Right 35-10210. The Mortgage received on 08/06/2009 was not recorded and it did not include property covered by Water Right #35-10210.

Because the Department cannot process the Security Interest without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Bobby Kern
Office Specialist II
