Transfer No. 71813 for Water Right No. 63-32059

Dear Water User,

I have enclosed an order granting an extension of time in which to complete Transfer No. 71813. The transfer completion date has been extended to February 23, 2014. We urge you to complete the necessary work related to the transfer of your right prior to this new extension date. Failure to complete the transfer by the new date may jeopardize your ability to continue use of your right.

Please contact this office if you have any questions or need further assistance regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Pamela S. Skaggs". The signature is written in dark ink and is positioned above the printed name and title.
