RE: Water Rights Transfer Extension – Transfer 71813

To Whom It May Concern:

I'd like to request an extension for Transfer 71813 of water right 63-32059. Our current transfer will expire this month. The reason of the request of extension is the current economic situation has made it cost prohibitive.

I contacted three drilling companies in October with the intent of installing the well. All three of the bids came back well over \$25,000 each. In the current lending and economic situation we simply are not able to fund the drilling at this time.

Thank you for your consideration,

Jason Oswald
