Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Collins:

The Idaho Department of Water Resources is returning your recently submitted application for the following reasons:

Item #3 Location of Point of Diversion

Department records indicate your proposed point of diversion is located within the NW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 5, Township 47 North, Range 2 West, B.M. Please correct the application as shown.

Item #9 Place of Use

From county tax lot records, it appears the place of use is also located in the NW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 5. If this is correct, please correct the application by placing the number of acres in the box as indicated.

Once the corrections have been made, please resubmit the application within the next 30 days so as not to delay processing. If you have any questions, feel free to contact me at this office.

Good afternoon, Kelli,

This is a second legal notice for publication on **November 5 and 12, 2009**. I may have yet another one or two to send the first of next week. I'm trying to play catch-up after having being off so much recently due to deaths in my family.

Our letter requesting this publication is attached, as well as the legal notice.

Any questions, please call or reply to this e-mail.

Again - I need a proof/preview copy for my review before it actually hits the press.

Thanks and have a great weekend. Tell Kattie hello for me, and tell her she taught you well.
