Application For Permit No. 94-7521

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the SHOSHONE NEWS PRESS on 9/17/2009 and 9/24/2009. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions.

Sincerely,

Keith E Franklin
Sr. Water Resource Agent

Good afternoon,

Attached is our letter requesting publication of a legal notice on September 17 and 24, 2009. The legal notice is also attached.

If you have any quesitons, please call me or reply to this e-mail.

This should be press ready - should be able to simply copy and paste.

Pleae send a proof/preview copy for my review before this goes to press to make sure I didn't miss something that might need to be changed. We are working with a new program and some things are not coming off the computer as we would like so we are having to make modifications. I think I have everything ok but this provides me with a double check.

If contact persons have changed, please advise so I can update my information.

Thank you very much for all your help.
