RE: CHANGE OF OWNERSHIP FOR WATER RIGHT 34-7064 AND 34-83B

In reviewing your change of ownership submitted in April, 2007 for water right 34-7064, we have found another water right for the same property. The water right no. is 34-83B and you might be entitled to part of this water right also. A copy of this water right is enclosed.

Please review this water right and if you agree that a portion of this water right belongs to you, let me know in writing that you would like this number added to the change of ownership form we already have. There will be a \$100 fee to split this second water right.

Because the Department cannot process the ownership change without proper fees, I will hold any action for 30 days. If I do not hear from you or receive the additional fees, I will not proceed with 34-83B.

If you have any questions, my direct line is 208-287-4967.

Sincerely,

Sandy Egbert
GIS Specialist
