RE: Resumption of Beneficial Use for Water Right 36-7847

Dear Water Right Holder:

The department acknowledges receipt of the statement of resumed beneficial use of water submitted in connection with the above referenced water right.

Section 42-222.2, Idaho Code, authorizes the department to grant only one five year extension of time to avoid forfeiture. It is essential that you use the water as authorized by the water right without a five year period of non-use to maintain its active status.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
