RE: WATER PERMIT NO. 63-32385

Dear Sir or Madam:

I am writing to you about Water Right Permit 63-32385, which was originally issued to James and Janice Barsby. The permit is being reviewed for licensing. Because the Ada County Assessor indicated that you may now own the property on which the water development occurred, I am writing to give you the opportunity to complete the process necessary to obtain a water right license.

Because water appropriation permits are considered personal property, in order for the department to issue the water right license in your name a representative from the church must assign the permit to you. I have enclosed an Assignment of Permit form to help you obtain the required information and signatures. The fee for filing an assignment is \$25.00.

If you do not obtain an assignment from Mr. and Mrs. Barsby, the department will issue a license in their name. However, once the license is issued, the water right becomes appurtenant to the land regardless of the name listed on the document. After the Department issues the license you may file a Change of Water Right Ownership. The fee for filing an ownership change is \$25.00. I have enclosed the appropriate form for your convenience.

If the Department does not receive a response within 30 days, the license will be issued in the name of James and Janice Barsby.

If you have any questions about this information, please contact this office at (208) 334-2190.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
