Re: Ownership Change

Kenneth and Wende Ela submitted a notice of change in water right ownership for this water right and for water right 94-7086. The Department was not able to complete the ownership change for water right 94-7101 as the deed did not cover the POU.

In a conversation with Wende Ela on this date, she told me that she had help in filling out the form. Both of the rights listed on the notice were in the names of individuals with the same last name but different first names. I believe that this water right (94-7101) was included on the notice in error. Therefore, I will request that a refund of the \$25 fee be mailed out.

This water right remains in the names listed on the license, William A. and Janet R. Phillips.
