CONDITIONS OF APPROVAL

1. This right does not constitute Idaho Public Utilities Commission or Federal Energy Regulatory Commission approval that may be required.
2. The issuance of this right does not grant any right-of-way or easement across the land of another.
3. The rights for the use of water confirmed in this license shall be junior and subordinate to all rights for the use of water other than hydropower, within the State of Idaho that are initiated later in time than the priority of this right and shall not give rise to any right or claim against any future rights for the use of water, other than hydropower, within the State of Idaho initiated later in time than the priority of this right.

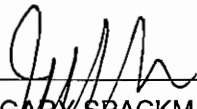

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 37-07861

4. The diversion and use of water for hydropower purposes under this license is subject to review by the Director on or after October 5, 2019. Upon appropriate findings relative to the interest of the public, the Director may cancel all or any part of the use authorized herein and may revise, delete or add conditions under which the right may be exercised.
5. Rights 37-1244, 37-4389, and 37-7861 when combined shall not exceed a total diversion rate of 0.714 cfs.
6. The right holder shall maintain a measuring device of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 22nd day of December, 2009.

For GARY SPACKMAN
Interim Director
