From: Neil + Catherine Adams
TO: Darla Block,

Enclosed is a resubmission "Statement of Completion," along with a check of \$50 for "license examination fee."

We apologize for not including the fee in our first submission correspondence. We misunderstood that the \$50 fee for filing on the water was one ~~and the~~ same as the license fee.

Thank you for setting us STRAIGHT
and being patient

Sincerely

Neil Adams

P.S. If THIS NOT correct please let us know.
