IRRIGATION DITCH EASEMENT

An easement thirty feet in width to maintain and or improve the present irrigation ditch and diversion structures, with a backhoe or other suitable equipment, is described below.

The location of the present irrigation ditch is in R 24 N 1E SW ¼ of sec. 4 and is described as follows: The diversion is downstream approximately 25 feet from survey pin #PE LS 2098 that lies 13 feet east of the centerline of the north fork of Race Creek. This pin, in part, describes the NW boundary of this property. The ditch thence runs in a SE direction approximately 300 feet and meets the west edge of the N fork of Race Creek road at survey marker description L22 that describes the centerline of this road and the NE boundary of this property. The ditch then parallels sections L23, L17, and L19 approximately 35 feet west of this described centerline of the north fork of Race Creek road and finally exits this property through a culvert that takes it under the south fork of Race Creek road. This culvert parallels the section of Race Creek road that is described as marker L19.
