PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 95-9351

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit.

Enclosed is an order reinstating the permit since proof was submitted more than 60 days after the lapse notice was issued. Please note that the priority date has been advanced to November 12, 2009, the date the proof and license examination fee were submitted to the department, as provided in Section 42-218a(2), Idaho Code.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

If you have any questions concerning the field examination, please contact the Northern Regional Office of the department in Coeur D'Alene, Idaho at 208-762-2800.

Sincerely,
