Emalee,

I spoke to Brockway about this extension and indicated the permit holder may be able to get an extension if they haven't already been provided the maximum extensions allowed by law. The original and fees should be forthcoming. Can you take a look and let me know if there are any issues with an extension.

Thanks,
Jeff

Jeff,

Attached is the extension of time request we talked about. The original will follow by mail but I wanted to get this to you right away so that we could address any issues, if need be, prior to the expiration of the 60-day grace period on December 7.

Thanks,
Chuck
