RE: Water Right Permit No. 01-10542

Dear Mr. Brockway:

According to your email received on December 4, 2009, your client being BRP, Inc. sent IDWR the proof of beneficial use form instead of you. Your email also stated that you will be submitting a proof of beneficial use form with a beneficial use exam form to IDWR.

I am returning to you the poof of beneficial use form submitted to IDWR by mistake. Statute requires the Department give permit holders notice that proof is due 60-days prior to a permit's proof deadline. The proof due notice for this permit will go out on December 31, 2009.

Please contact me at (208) 287-4945, if you have any questions.

Sincerely,

Darla Block
Technical Records Specialist
