Re: Applications for Transfer Nos. 73775 and 73776

Dear Mr. Keen:

As you know, I recently left you a voice mail message inquiring as whether Water Right Nos. 2-10201 and 57-7051A would be removed as associated rights in connection with the above-referenced Transfer Application Approvals as a result of the approved changes in combined use conditions for these Transfer Approvals. Yesterday, Pam Skaggs of IDWR called me back to confirm that these two rights would not be identified as associated rights in final amended Transfer Approval Nos. 73775 and 73776 and that the pages in the original Transfer Approvals describing the elements for Water Right Nos. 2-10201 and 57-7051A would not be included in the final amended Transfer Approvals. Please notify me immediately if my understanding of this matter is incorrect and, in that circumstance, please consider this letter a Petition to Reconsider this matter or instruct me as to whether some other filing needs to be submitted by this Monday, December 14, 2009.

Thank you for your attention to this matter.

Sincerely,
