73901 xR TLUECK NOTES

~~App result of Violation Complaint~~

App result of Violation Complaint Tlueck/Worman
Consent order says:

#4: xR app filed authorizing 53.2 acres [at 1.0 cfs flow] irrigation w/ PPU under WR 63-32184. A management plan will outline system modifications and resulting water management.

Additional SW shares B-Kura:

@ Water Mgn. Plan says 105.75 add for total of 146.8 acquired. Letter from In Co. states only 80.71 acres additional requested.

⇒ Amended xR filed states only total of 121.76 acres (41.05 acres originally had + 80.71 acres acquired).

Summary:

xR proposes change/creation of PPU for GW irrigation of 53.2 acres w/ 174.96 acre PPU GW in combined w/ 121.76 acres of SW from Boise-Kura In Dist. GW put into system if SW diverted/applied all over total ~~174.96~~ P/O 174.96 acres.
