RE: Application for Transfer

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning your application and filing fee to allow you to complete the necessary items. The required information is described below.

The Fee was not provided correctly. Please see enclosed fee schedule.

Reviewing the deed from Ellis to Doschades, we do not believe that it is clear that Doschades would not get any of the irrigation water rights. It would be best to get a release from Doschades for those acres in question.

Please feel free to contact this office if you have any questions.

Sincerely,

Dave Carlson
Water Resource Supervisor
