RE: Water Right #98-7039

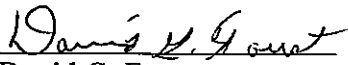

This letter is in response to your departments request for clarification.

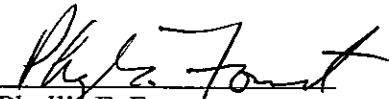

We sold our home to Harvey G. and Miros D. Surrena in 2009, therefore transferring the water rights and well water to them. There were other water rights connected to the property; however, since we still own some of that parcel we are only transferring Water Right #98-7039. The other water rights will remain in our names.

We give all right and ownership of Water Right #98-7039 to Harvey G Surrena and Miros D. Surrena.

Hopefully, this helps to clarify the water right issues related to the sale of our home in January of 2009.

Sincerely,

David G. Foust
