Go on computer

Dianne,

The applicant will need an encroachment permit from IDL for the water line. Please provide a term in your permit that a permit from IDL for the is required prior to installation of the line into Hayden Lake. This office will provide an application with our letter advising the property owner of the requirements.

Thank you for the opportunity to provide comments.

Carl

Norris

Dear Interested Party:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of the application is enclosed for your reference.

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact this office if you have any questions regarding the application.

Sincerely,

Dianne Ball
