Re: Amended Application for Permit No. 63-32238

Dear Steve,

Enclosed on behalf of Steve and Chris Stout is Amended Application for Permit No. 63-32238. The proposed point of diversion location has been changed to Chris and Steve's property in an effort to resolve protest issues. The flow rate was also reduced to 10.0 cfs.

Please let me know if there are any questions. Thanks Steve.

Sincerely,
