RE: Water Right Change in Ownership No. 21-7362

Dear Concerned Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

XXXX Agreement

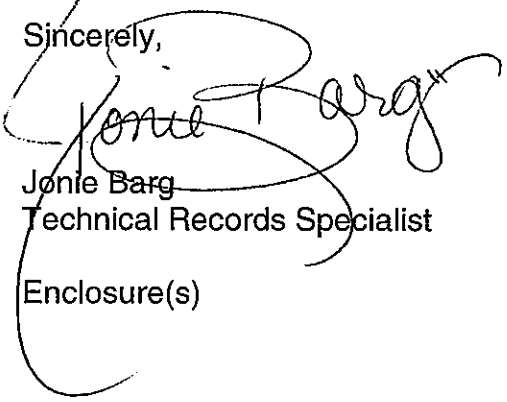

On June 9, 2008 our department received an ownership change from DGM Properties. During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. On 7-14-2008 our department requested that Mr. Gene Kantack get a notarized document from William Albano releasing his interest in the water right. In late October 2008 Mr. William Albano came in and spoke with Ernie Carlsen indicating he believed he has ownership of this water right. On November 12, 2008 Lane Archibald came in and spoke with Ernie Carlsen in regards to Mr. Albano's ownership. No resolution was made. On November 17, 2009 our department received another ownership change for the above listed water rights to DGM Properties. As of this date there has not been any resolution for the ownership problems. Please submit an agreement signed and notarized by both parties indicating a resolution has been made.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
