FIELD EXAM NOTICE

RE: Permit Number 37-7807

Dear Permit Holder:

I am planning to conduct water right examinations in the vicinity of the above referenced permit beginning on August 10, 1999. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal conditions during the examination.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you.

If there is a problem with scheduling or conducting the examination at this time, please call and other arrangements can be made.

Sincerely,

A handwritten signature in cursive script that reads "Amanda Folsom". The signature is written in dark ink and is positioned above the printed name and title.
