

Memo

PERMIT: 37-7807
FROM: Amanda Folsom
DATE: July 30, 2001

I spoke with Mr. David Squier on the telephone last month. David and his wife Sue are the current owners of the property under the name of James Reid. I have been unable to reach Mr. Reid on several tries, and eventually went to the Blaine County Assessor's office to ascertain the current owner.

The home that was there when Mr. Reid owned the property has been moved, and at the present the Squier's are building a new home. The same well as described in this permit will be used for the new home. The Squier's current address and phone number is:

David and Sue Squier
56 Laurel Rd
New Canaan CN 06840
203-972-0702

I am going to send a letter to Mr. Squier to inform him that I choose not to do the field exam at this time due to the construction of the new home. I will also inform him that at some point a change of ownership will be needed for this water right.
