RE: Water Right Permit 37-7807-- Property Lot #2 of Amended Potters Subdivision,
Blaine County, Idaho

Dear Mr. Skinner:

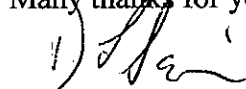

This letter is in response to your request for additional information regarding my request to have the water right permit for our property in Ketchum put in our name. As you will recall from our previous phone calls, the prior owner of the property, James Reid, can not be located and the ownership rights for the permit were not transferred to us at the time we purchased the property.

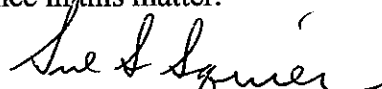

Enclosed with this letter is a copy of the warranty deed transferring the property to Mr. and Mrs. Reid from the Potters' in 1984 along with the subsequent deed showing the transfer of the property to the Squiers' from the Reids' in 1999.

I checked with Wood River Drilling (spoke to Joyce, 208 788 3163) who advises that their company installed the pump in our well in 1997. It is a 2 HP pump that is able to deliver 30 GPM. The well is 48 feet deep and has a 6" casing.

If additional information is needed to complete the issuance of the Water Right permit in our name please let me know at the address above or by calling me at 203 972 0702.

Many thanks for your assistance in this matter.
