Mike:

-The Kohring application is on schedule, will be advertised in Nov.

-Consider this e-mail confirmation of your extension of time request for the DeRuyter transfer. The deadline is extended to December 1, 2009.
Our goal on applications is to keep them moving at some level.
If we don't, soon we have a drawer full of dated backlogged work going no where.

Looks like we have some snow on the foothills this morning!
